## **Description:**

A truly special example of a 2004 Gallardo. This vehicle has been pampered its entire life. The original owner is with the Miami Dauphins. It was purchased in Miami but delivered MSO to the BMC Lamborghini in San Francisco. The original owner has a significant car collection of Lamborghinis and Bentleys. When the vehicle was purchased by its second owner, with only 10,250 miles, a news front cap was installed, a la Aventador, the wheels where powder coded, the windows where tinted and the rear brake lights where tinted to update the look. The work was done by a certified, world renown fabricator over a period of three months. The second owner relocated the vehicle from San Francisco to Scottsdale AZ where is cu...
