Description:

Equal Opportunity Employer: Minority/Female/Disability/Veteran Waste Management (WM), a Fortune 250 company, is the leading provider of comprehensive waste and environmental services in North America. We are strongly committed to a foundation of operating excellence, professionalism and financial strength. WM serves nearly 25 million customers in residential, commercial, industrial and municipal markets throughout North America through a network of collection operations, transfer stations, landfills, recycling facilities and waste-based energy production projects. Tired of just doing preventative maintenance or working only on engines? Are you ready to take the next step and work on equipment that requires a hi...
