Address: Kansas City, Missouri, United States

Price: Check with seller

**Description:** 

Hi I have a pioneer receiver that I am trying to trade for a turntable (pioneer perferred but will accept other kinds) It has to be in working order with a needle in it . you must be able to plug it up and show me that it works I have albums , minor scratches , no older then the 80s please contact me by phone . The pioneer receiver is in perfect condition I will plug it up for your viewing.
