Description:

We provide repair and maintenance services to keep your generator in great working condition. We also sell and rent a wide variety of quality generators and power solutions for you to use to power your home or office. We can help you keep the lights and power on when you need them most, especially during storms, rolling blackouts, and other critical situations.Call (978) 838-2457 or contact email: pakeleher@gmail.com through this website www.keleherelectrical.com for more details.
