ONE OF A KIND 2000 Ford F-250 4x4 Crew Cab MONSTER TRUCK 7.3 POWERSTROKE DIESEL Well it's time to start letting some of my toys go. I have used this Monster for an advertising aspect for my company and let me tell you how well it has worked, but it's time to let someone else enjoy all the attention. The truck has never been off road what so ever. Always kept indoors unless in a parade or car show. The truck was in SEMA 4 years ago and was a big talk then and still is now. The 7.3 Powerstroke pushes this truck around with ease!! Here are a few things on the truck: 2000 Ford F-250 Lariat Crew Cab 4x4 AMP Research Power Drop Down Steps Tons of Billet Interior Accessories 4 Linked front and rear 40" Lift 2" Body Lift...
