Description:

We're Equipped To Handle The Whole JobYou and your staff do the best job possible to disinfect and clean your healthcare facility. But often there's just not enough time or resources to do periodic, deep cleaning that's necessary to meet patient safety standards. At Mobility Equipment Cleaning Service Inc, we act as an extension of your team with one goal in mind: to simplify your equipment cleaning with our turnkey process. We reduce the stress of audits by keeping you on a regular deep-cleaning schedule.
