Description:

MERCEDES CLK63 AMG BLACK SERIES Only 349 Cars Imported to the United States! This 2008 Mercedes-Benz CLK63 AMG Black Series Coupe is a very desirable and fantastic looking sports car, and is overwhelmingly known for being the official pace car for the Formula 1 race. The bold, black on black combination is extremely appealing and matches perfectly with the iconic carbon fiber package. The engine is the 500 hp version of the AMG 6.3-liter V8 engine, with a 0-60 mph acceleration of 4.1 seconds and an electronically limited top speed of 186 mph. It uses a 7-speed AMG Speedshift automatic transmission with manual control through its steering-wheel-mounted shift paddles. This car undoubtedly represents the synergy o...
