Address: Old Orchard Beach, Maine, United States

Price: 450000.00 USD

Description:

Family-owned compound including a small take-out restaurant now being divided and made available for sale as two parcels (two 1-bedroom and two 2-bedrooms units), direct entrance to beach and off-street parking. Property is equitably divided on two deeds. These clean, cozy units with full kitchens and baths have a great location close to beach recreation but far enough away to enjoy peace & tranquility. Spend time on the front porch lounging and enjoying other quests or take the path directly in front to 7 miles of pristine, sandy beach and the Atlantic Ocean. These units also have a great summer and winter rental history. Looking for more? Buy all 8 units or invite family or friends to invest with you and each...
