Description:

Here is a rare LS460 Sport version with only 32,000 miles. The car is fully equipped, dealer serviced, and has a clean car fax and Ohio title. I searched for more than a year to find this car in black with these options and low miles. I am sad to part with this world class vehicle but have too many cars in the drive. The car has all of the great standard features you expect in an LS plus the following optional packages: SPORT PACKAGE: 2010 was the first year for the Sport package and was only available on short-wheelbase, rear-wheel-drive models at a cost of \$6,200. The Sport package begins with the 4.6 liter, 380 horsepower engine. The Sport also added functional upgrades such as quicker-shifting version of th...
