Phone: 1-602-275-4828

Address: 3802 East University Drive, #4, Phoenix, Arizona, United States

Price: 1.00 USD

Description:

Since 1953, Southwest Controls, Inc. has been known as the problem solvers, with highly creative skills in the engineering and application of electronic and mechanical controls equipment. We have expanded our manufacturing facilities and technical capabilities to embrace the design and construction of fully integrated control systems. With these technical skills and an extensive product line, Southwest Controls can develop a system to meet your exacting needs. A system which offers the optimum in efficiency, economy and flexibility. We provide services from conceptual drawings and manufacturing to systems testing and start-up. Hardware capabilities include programmable logic controllers (PLC), a wide variety of co...
