Entrepreneurs, Startups, Small business...

Contact: Sakshi Sharma

Phone:

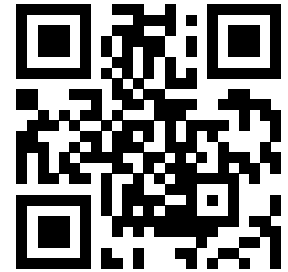

Address: Pasadena, California, United States

Price: Check with seller

Description:

Want to start a tech startup, but don't know how to get involved? SDI is Silicon Valley's top Gadget and the Internet of Things app development and we can design, build, and market your app, starting from \$2,000 per app. We know how to build an app that performs beautifully across multiple platforms, from Amazon's Echo to FitBit. Connected devices are the future of the industry; get involved now to start making money!

<https://softwaredevelopersindia.com/internet-of-things-startups.html> Need some IoT app ideas? Check out blog page for the latest news and tips for the tech industry. <https://softwaredevelopersindia.com/blog/build-smart-home-system-like-mark-zuckerbergs-jarvis/> Email team@sdi.la or call us 408.802.28...
